

CBA's The Academy

CBA wants to make sure you know about California Bluegrass Association's (CBAs) "The Academy". It's a music program for kids 8-16 years old during the annual Fathers' Day Bluegrass Festival in Grass Valley. If you're a parent, grandparent, or music teacher who knows of any kids who are learning to play bluegrass instruments, please check out this wonderful program and pass the information along as necessary.

The Eighth Annual Academy begins Wednesday, 6/17/20 (starting at 1 PM), and runs Thursday, Friday, and Saturday, 6/18 - 6/20 (starting at 10 AM). The Academy is produced and directed by the CBA.

Beginning and intermediate players are welcome. The Academy accepts only 50 students. Parents or guardians must attend the Festival and be present on the Festival site during The Academy.

Registration is open now at cbaweb.tix.com/Event.aspx?EventCode=1173338. The cost is \$300 for current CBA members and \$350 for non-CBA members. \$100 scholarships are available while funds last. The Academy sells out every year, so register soon.
